

BASSOON Fingering Chart

- Solid black circles indicate keys pressed.
- ◐ Cover half the tone hole.
- Open circles indicate open tone holes.

The chart displays fingering patterns for the following notes and intervals:

- A# - B \flat** : Musical notation and two fingering diagrams (back and front).
- B**: Musical notation and two fingering diagrams (back and front).
- C**: Musical notation and two fingering diagrams (back and front).
- C# - D \flat** : Musical notation and two fingering diagrams (back and front).
- D**: Musical notation and two fingering diagrams (back and front).
- D# - E \flat** : Musical notation and two fingering diagrams (back and front).
- E**: Musical notation and two fingering diagrams (back and front).
- F**: Musical notation and two fingering diagrams (back and front).
- F# - G \flat** : Musical notation and two fingering diagrams (back and front).
- G**: Musical notation and two fingering diagrams (back and front).
- G# - A \flat** : Musical notation and two fingering diagrams (back and front).
- A**: Musical notation and two fingering diagrams (back and front).

Additional sections at the bottom show musical notation and fingering diagrams for:

- A# - B \flat**
- B**
- C**
- C# - D \flat**
- D**

On the left side, there are two diagrams of a bassoon: a full-length view labeled "BACK" and a detailed view of the key mechanism labeled "FRONT".
