

Production Notes

Sing Joy to All the World! is flexibly conceived for Advent and/or Christmas programming. Each individual anthem may be presented during the weeks leading up to Christmas, or the entire cantata may be performed as a whole in a single worship experience, depending on programming needs. Small and large choirs alike will find the choral writing appealing and versatile. Accompaniment options ranging from piano only to full orchestra with CD accompaniment or live instruments ensures maximum flexibility for your unique programming needs.

Some of the cover-art images and graphics from this work are available as free downloads. We hope that you can use them to assist in the making of your bulletins, posters, flyers, website and email announcements, and in any other way that's within your organization and in conjunction with performances of this work.

To access these files, please visit www.lorenz.com/downloads and navigate to the desired folder. PC users should right click and choose “Save Target As...” and Macintosh users should click and hold the link, then choose “Save Target As...” We have provided standard file formats that should be usable in most page layout or word processing software.

Due to the vast number of differences in computer system setups, we are unable to provide technical support for downloadable images/graphics by either phone or email.
