MASTER SET Usage Guidelines

Thank you for your generous support of The FJH Music Company Inc. and our outstanding catalog of composers!

The music you have purchased is a **master set** consisting of a score and one copy of each part. Whether you have purchased a print or digital edition, you are only entitled to print/distribute parts under the following guidelines:

1. **Reproduction of Parts:** Directors are permitted to print or copy one part per student to accommodate the size of the ensemble that has purchased the music.
2. **Distribution of Parts:** Directors may send digital parts to students when distribution of physical parts is not feasible. However, digital files may never be uploaded to an unprotected online location. Any online storage medium must be password protected and secure. Students must be required to delete all digital parts when the ensemble is finished with the music and must destroy or return all physical copies. The director may retain the original print or digital set for future use with the same ensemble.
3. **Scores:** Directors are required to purchase additional scores when required for festivals, adjudication, and other events that require original scores.
4. **Copyright Infringement:** The material you have purchased is protected by copyright law. Only the purchasing ensemble may perform the work and use photocopied / digital parts. **Any unauthorized reproduction and distribution of this music, including but not limited to distribution to anyone outside the purchasing ensemble, is a violation of Federal Copyright Law and subject to legal prosecution.**

We appreciate you abiding by these important guidelines and ensuring that all copyright laws are followed. Should you have any additional questions, please contact us at permission@fjhmusic.com.
